TENNIS WITH A DIFFERENCE

PROFESSIONAL TENNIS COACHING AND TENNIS CAMPS FOR ALL ABILITIES

Access to Stephen Perse Foundation Tennis Courts

Latham Road is a residential area; as such (and in order to comply with the terms of our hire arrangement) we would politely like to request all parents dropping off/collecting your children to abide by the following:

- *Please keep to the 10mph speed limit*
- *Please do NOT park on grass verges*
- *Please do NOT park across/block entrances to residents houses.*

There is enough room to enter into the car park next to the tennis courts. However, at busy times at the start/end of a course, you may have to wait in Latham Road for a space in the car park to drop off / collect your children. We would please ask that you respect the above and wait for a few minutes.

Future use of these tennis courts will depend on MTA's overall behaviour and that of its clients this summer; please help us to ensure that we pass with flying colours!

With thanks

The **MTA Team**
